U.S.A.

Dear Sir:

Applicant thanks the Examiner for his Official Action dated September 17, 2010 and in response thereto, requests that the following amendments to the claims, which begin on page 3 be entered and considered in light of the remarks which begin on page 7 of this paper. Please note as well that a replacement Figure 3 is attached hereto, which makes no amendments but merely improves the figure's clarity.

Applicant has made a diligent effort to advance the prosecution of this application by cancelling claims and by amending claims as suggested by the Examiner. Therefore, Applicant respectfully submits that the claims, as amended, are now in condition for allowance. No new matter has been entered by this amendment. Any limitations to the claims are made without prejudice and solely for the purpose of expediting the prosecution of the application. Unless otherwise expressly stated, the amendments are not made to narrow, vis-à-vis the prior art, the scope of protection

which any subsequently issuing patent might afford. Again, if the Examiner has further questions, he is invited to contact the undersigned at phone 011-4171-230-1000, fax at 011-4171-230-1001 (Switzerland is 6 hours ahead of Eastern Std Time), or e-mail at moetteli@patentinfo.net.

Applicant petitions the Commissioner for an Extension of Time under 37 CFR §1.136 for a period of x month and the Undersigned authorizes the Commissioner to charge any fee or credit any overpayment of any fee under 37 CFR §1.16 and §1.17 which may be required in this application to the deposit account of MOETTELI & ASSOCIES SARL, no. 50-2621.

Respectfully submitted,

Date : Oct 18, 2010
